

## Publications

- Visick, D. and Law, H.C. (1986) *Evaluation and development of a computerised operating procedure system*. Warren Spring Laboratory, DTI.
- Law, H.C. (1987) Intelligent Interface for fault diagnosis in process control; Paper presented at *HCI SG workshop*, London 1987.
- Law, H.C. (1987) Evaluation of two expert system shells - Xi Plus vs Savour; *Xi User Newsletter* 1987.
- Law, H.C. (1990) *Evaluation of DIANA - Drug Intelligence Analysis System*, London: Home Office.
- MacLeod, I. S. & Law, H. C. (1998) System Cognitive Functions: The Next Step. Paper presented at the Second International Conference of Engineering Psychology and Cognitive Ergonomics, Oxford. In D. Harris (Ed in press) *Engineering Psychology and Cognitive Ergonomics*. Aldershot: Ashgate.
- O'Donell, S., Barton, A. and Law, H.C. (1989) *Development of Autocrime Pattern Analysis System*, London: Home Office SRDB.
- Law, H.C. and Ekblom, P. (1994) GIS application: Evaluation of Safer Cities Programme - from knowledge to data representation and transformation; Paper presented at *Arc/Info European User Conference*, Paris 1994 and *AGI'94*. Conference Proceedings, 17.2.1-17.2.12. AGI.
- Law, H. C. & Ekblom, P. (1994) Application of GIS: from knowledge to data representation & data storage. *Arc/Info European User Conference'94* Paris, France.
- Ekblom, P. Howes, D. & Law, H. C. (1994) Scoping, scoring and modelling: linking measures of crime preventive action to measures of outcome in a large, multi-site evaluation using GIS and multilevel modelling. *Proceedings of the GISRUUK 1994*, pp. 123-132.
- Law, H. C. & Ekblom, P. (1994a) Application of GIS: from knowledge to data representation & data storage. *ARC/INFO European User Conference'94*. Paris.
- Law, H. C. & Ekblom, P. (1994b) Application of GIS: Evaluation of Safer Programme - from knowledge to data representation and transformation. *AGI'94. Conference Proceedings*. Chapter 17.2, pp. 1-12. London: AGI.
- Law, H. C. & Fisher, P. F. (1995) Error modelling in areal interpolation: a case study on the data precision of the Safer Cities Evaluation. *Proceedings of the GIS Research UK*. Paper presented at GISRUUK'95, Leicester University.
- Law, H. C. (1995) *Human Cognition - a course reader*. Second Edition. ICAS.
- Law, H. C. (1996) *Geographical Information for governments - seminar report*. London: Home Office.
- Law, H. C. & Ekblom, P. (1996) Describing the nature of Safer Cities Action using GIS. In M.

- Rumor, R. McMillam, & H. F. L. Ottens (eds) *Geographical Information - From research to application*. Second Joint European & Exhibition on Geographical Information. Barcelona. Proceedings, Vol. 2, 1007-1016, IOS Press.
- Ekblom, P., Law, H. C. & Sutton, M. (1996a) *Safer Cities and Residential Burglary*. Home Office Research Study 164. London: HMSO.
- Ekblom, P., Law, H. C. & Sutton, M. (1996b) *Domestic burglary schemes in the Safer Cities Programme*. Home Office RSD Research Findings No. 42, London: Home Office.
- Law, H. C. (1997) From action to outcome of the Safer Cities Programme. *GIS'97*, AGI. UK.
- Law, H. C. (1997) The Mapping and analysis of Geographically-referenced Crime Data. ESRC Seminar at Liverpool University, UK.
- Law, H. C. (1997) Allocation of functions in the Evaluation of Safer Cities Programme using Geographical Information System. Paper presented in the first international Conference ALLFN'97, University College Galway (Centre for Occupational Health & Safety Studies) Ireland.
- Law, H. C. (1997) Engineering psychology: the hidden Psychologist – a case study on the Evaluation of Safer Cities Programme using Geographical Information System. In D. Harris (Ed) *Engineering Psychology and Cognitive Ergonomics Volume Two: Job Design and Product Design*. Part four: Applied Cognitive Psychology 231-238. Ashgate. ISBN 0 291 39847 2
- Law, H. C. (1998) Error: the neglected area, but does it matter? *The AGI Conference Proceedings at GIS'98 – profiting from collaboration*. Chapter 8.1. London: AGI & Miller Freeman.
- Law, H. C. & Hudson, P. (1998) *Local Voluntary Activity Survey (LOVAS) - User Documentation/Technical Report for the Conversion of the Pilot Data to a Standard Format*. London: Home Office. Version: 16/07/98
- Law, H. C. & Hudson, P. (1998) *Local Voluntary Activity Survey (LOVAS) of the community and voluntary groups - User Documentation/Technical Report for the Conversion of the Standard Data to a Common Format*. London: Home Office. Version 11/08/98
- Law, H. C. (1999) *Spatial-thematic accuracy in the evaluation of English Safer Cities Programme*. PhD thesis. Leicester University.
- Law, H. C. & Fisher, P. F. (1999) Spatial Accuracy in the Evaluation of the Safer Cities Programme in England. In *Proceedings of the First International Symposium on Spatial Data Accuracy*. Hong Kong Polytechnics University.
- Law, H. C. (2002) Coaching Psychology Interest Group – an Introduction. *The Occupational Psychologist*. No. 47, pp 31-32. The British Psychological Society.
- Law, H. C. & Fisher, P. F. (2002) Spatial-thematic accuracy and domestic burglary in the Safer Cities Programme in England. In W. Shi, P. F. Fisher & M. F. Goodchild (Ed) *Spatial Data Quality* pp276-293. London & New York: Taylor & Francis.

Law, H. C. & Wells, C. (2003) Championing equality – an organizational perspective & the role of psychologists. In *Proceedings of the Division of Occupational Psychology Annual Conference*. The British Psychological Society.

Law, H. C. & Grimley, B. (2003) Becoming a chartered psychologist – Reflection from a private consultant. In *Proceedings of the Division of Occupational Psychology Annual Conference*. The British Psychological Society.

Law, H. C. (2003) Applying Psychology in Executive Coaching Programmes for organisations. *The Occupational Psychologist*. No. 49, pp 12-19. The British Psychological Society.

Law, H. C. (2003) *Review of ethno-medical studies on psychological aspects in traditional Chinese Medicine*. Essays on Intercultural Therapy. October 2003. Goldsmiths University of London

Law, H. C. (2004a) *Redefining Intercultural Therapy in Theory and Practice*. Essays on Intercultural Therapy. January 2004. Goldsmiths University of London

Law, H. C. (2004b) *Arts of Healing Across Cultures*. Essays on Intercultural Therapy. June. 2004. Goldsmiths University of London

Law, H. C. (2004) Putting psychology in the pictures. Celluloid Couches Cinematic Clients – Book Reviews. *The Psychologist*. September. Vol. 17, 9. The British Psychological Society.

Law, H. C. (2004) Transcultural aspects of healing. *Transpersonal Psychology Review*. Vol. 8, 2, pp 46-54. The British Psychological Society.

Law, H. C. (2005) Embracing Diversity – cross cultural coaching & mentoring. *MentforReview*. EMF Spring.

Law, H. C. (2005) The Role of Ethical Principles in Coaching Psychology. *Coaching Psychologist*. No. 1, July, pp 19-20. The British Psychological Society.

Law, H. C. (2005) The New Code of Ethics, Human Rights, and Coaching Psychology. *Coaching Psychologist*. No. 2, November, pp 13-15. The British Psychological Society.

Hussain, Z., Ireland, S. & Law, H. C. (2005) Evaluation of A Universal Integrated Framework for Mentor/Coaching. *European Mentoring & Coaching Council Conference Proceeding*, Zurich December.

Law, H. C., Ireland, S. & Hussain, Z (2005) Evaluation of Coaching Competence Self Review on-line tool within an NHS leadership development programme. *Special Group in Coaching Psychology Annual National Conference*. December. City University, London: The British Psychological Society.

Law, H. C., Ireland, S. & Hussain, Z (2007) *Psychology of Coaching, Mentoring & Learning*. Chichester: John Wiley & Sons.
